

Harperbury Bowls Club

1955—2016

Jan 2016

Another Trophy.....

On Sunday 13th December, Harperbury, together with 3 other clubs, were invited to play against the team of Presidents of St Albans and District bowling association.

Jim Terry had to drop out due to a Knee op. So the selected team was George Hoare, John Allen, Alan Burnett and Les Roberts.

Panic, panic—Alan Burnett had a problem with leaving Mary on her own so Sue offered to go and sit with Mary so that Alan could play. Problem solved.

Three clubs beat the Presidents team and Harperbury were the club with the top score of 19—13 and won the Presidents Shield, together with a plaque to be retained by the club.

Not bad for a team with an average age of 80.5 years from a club that does not play regular indoor bowls! Well done boys. Life in the old dogs yet

The 2015 presentation night saw our 60th celebration year come to an end.

John as Competition secretary organised another great evening helped during the presentation part by Dave as Club Captain and Sheila as Club President.

What an amazing Celebration year we have had with lots of bowls, fun and a fair bit of success in competitions as well. The highlight being our lady captain winning the District Ladies singles.

The presentation night was well attended and needless to say there were a few sketches, a Christmas carol sing-along that saw Pat Roberts on the keyboard and a game of bingo with cards plus a lovely fish and chip supper.

Words cannot begin to explain the sketch that Emma and John did!

You really had to be there.

Warners 2016

The 2016 season starts again with a trip to Warners at Hayling Island on Friday 1st April—Monday 4th.

We have 39 members coming this year. As usual we have bowls planned for the Saturday and Sunday mornings with possible pitch and putt competition one afternoon and darts on the other one. Weather dependent. All optional of course. If members want to pootle off and explore the area that's great as well.

Our Saturday evening entertainment this year is a tribute to Frankie Valley and the 4 seasons. We will be putting a quiz out on the tables for the evening as well and of course there is the Bingo each night!

This weekend away, we believe, really sets us up for the season. Hopefully more members will be able to join us when they can in the years to come.

Warners is always mentioned in the Newsletters and there are always posters up in the club once a date is booked. Keep a look out!

Don't want you to miss out next year!

Club Shirts and fleece Jackets.

Sheila has asked anyone that wants a club polo shirt or fleece to please contact her .

Captains Log.

Another season is fast approaching (how quickly the time goes) and I would just like to thank all those people who have been hard at it (bowls related duties obviously) through the winter months either arranging / organising events or preparing the club for the 2016 season.

I have to confess that I personally haven't been doing too much during the winter that has been bowls related. I will therefore be ready and raring to go come the start of the season and hope that I can assist in making your season as enjoyable as you expect it to be.

Captain's Charity:

I have thought long and hard about what the Captain's charity should be this year and I have to go with donating money to assist in the research against cancer. This disease seems to be everywhere at the moment and if we as a club can go some small way to assist in getting the better of it, so much the better. Please be as generous as you can throughout the season. Whatever you can donate will be gratefully received.

That's all from me for now—see you in April.
